Dear Polka

Hope everything is running fine back home. Everything perfect here having is same as usually. Getting a little more education during the day by going to school. Just like the old days. Wish I could tell you more about it but no such luck.

Received a letter from Fred Sallo today, said he was home on furlough last month. Says he didn't know the old town. This was the first letter that I have received addressed to my present whereabouts. Either if he has my new address you all so have it. I have tell me if you can read my letter, id not I will try & write a little longer.

So Duke Woster, Elwyn Provan, Eddie Spencer still in the United States. Sure do hope so.

Guess I will close for tonight. Please write as often as possible. Have not received a letter from home in more than two weeks. Really miss that good old mail. So long for tonight.  
Love  
"Dick"
